

\*\*This is the Project Gutenberg Etext of the 1990 U.S. Census.\*\*

\*\*This edition should be labeled uscen901.txt or uscen90b.zip.\*\*

Corrected EDITIONS of our etexts get a new NUMBER, uscen901.txt.  
VERSIONS based on separate sources get new LETTER, uscen90a.txt.

Information about Project Gutenberg (one page)

We produce about one million dollars for each hour we work. One hundred hours is a conservative estimate for how long it we take to get any etext selected, entered, proofread, edited, etc. Our projected audience is one hundred million readers. If our value per text is nominally estimated at one dollar, then we produce a million dollars per hour; next year we will have to do four text files per month, thus upping our productivity to two million/hr.

The Goal of Project Gutenberg is to Give Away One Trillion Etext Files by the December 31, 2001. [10,000x100,000,000 = Trillion]  
This is ten thousand titles each to one hundred million readers.

We need your donations more than ever!

All donations should be made to "Project Gutenberg/IBC", and are tax deductible to the extent allowable by law ("IBC" is Illinois Benedictine College). (Subscriptions to our paper newsletter go to IBC, too)

All communication to Project Gutenberg should be carried out via Illinois Benedictine College unless via email. This is for help in keeping me from being swept under by paper mail as follows:

1. Too many people say they are including SASLE's and aren't.
2. Paper communication just takes too long when compared to the thousands of lines of email I receive every day. Even then, I can't communicate with people who take too long to respond as I just can't keep their trains of thought alive for those extended periods of time. Even quick responses should reply with the text of the messages they are answering (reply text option in RiceMail). This is more difficult with paper.
3. People request disks without specifying which kind of disks, it can be very difficult to read an Apple disk on an IBM. I have also received too many disks that cannot be formatted.

My apologies.

We would strongly prefer to send you this information by email

\*\*\*\*START\*\*THE SMALL PRINT!\*\*FOR PUBLIC DOMAIN ETEXTS\*\*START\*\*\*\*

Why is this "small print" statement here? You know: lawyers.  
They tell us that we could get sued if there is something wrong  
with your copy of this etext, even if what's wrong is not our  
fault, and even if you got it for free and from someone other  
than us. So, among other things, this "small print" statement  
disclaims most of the liability we could have to you if some-  
thing is wrong with your copy.

This "small print" statement also tells you how to distribute  
copies of this etext if you want to. As explained in greater  
detail below, if you distribute such copies you may be required  
to pay us if you distribute using our trademark, and if we get  
sued in connection with your distribution.

\*BEFORE!\* YOU USE OR READ THIS ETEXT

By using or reading any part of the PROJECT GUTENBERG-tm etext  
that follows this statement, you indicate that you agree to and  
accept the following terms, conditions and disclaimers. If you  
do not understand them, or do not agree to and accept them, then  
[1] you may not read or use the etext, and [2] you will receive

a refund of the money (if any) you paid for it on request within 30 days of receiving it. If you received this etext on a physical medium (such as a disk), you must return the physical medium with your request and retain no copies of it.

#### ABOUT PROJECT GUTENBERG-TM ETEXTS

This PROJECT GUTENBERG-tm etext, like most PROJECT GUTENBERG-tm etexts, is a "Public Domain" work distributed by Professor Michael S. Hart through the Project Gutenberg Association (the "Project"). Among other things, this means that no one owns a United States copyright on or for this work, so the Project (and you!) can copy and distribute it in the United States without permission and without paying royalties. Special rules, set forth below, apply if you wish to copy and distribute this etext under the Project's "PROJECT GUTENBERG" trademark.

To create these etexts, the Project expends considerable efforts to identify, transcribe and proofread public domain works. Despite these efforts, the Project's etexts and any medium they may be on may contain errors and defects (collectively, the "Defects"). Among other things, such Defects may take the form of incomplete, inaccurate or corrupt data, transcription errors, unauthorized distribution of a work that is not in the public domain, a defective or damaged disk or other etext medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

#### DISCLAIMER

As to every real and alleged Defect in this etext and any medium it may be on, and but for the "Right of Replacement or Refund" described below, [1] the Project (and any other party you may receive this etext from as a PROJECT GUTENBERG-tm etext) disclaims all liability to you for damages, costs and expenses, including legal fees, and [2] YOU HAVE NO REMEDIES FOR NEGLIGENCE OR UNDER STRICT LIABILITY, OR FOR BREACH OF WARRANTY OR CONTRACT, INCLUDING BUT NOT LIMITED TO INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES, EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGES.

#### RIGHT OF REPLACEMENT OR REFUND

If you received this etext in a physical medium, and the medium was physically damaged when you received it, you may return it within 90 days of receiving it to the person from whom you received it with a note explaining such Defects. Such person will give you, in his or its discretion, a replacement copy of the etext or a refund of the money (if any) you paid for it.

If you received it electronically and it is incomplete, inaccurate or corrupt, you may send notice within 90 days of receiving it to the person from whom you received it describing such

Defects. Such person will give you, in his or its discretion, a second opportunity to receive it electronically, or a refund of the money (if any) you paid to receive it.

Aside from this limited warranty, THIS ETEXT IS PROVIDED TO YOU "AS-IS". NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, ARE MADE TO YOU AS TO THE ETEXT OR ANY MEDIUM IT MAY BE ON, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow disclaimers of implied warranties or the exclusion or limitation of consequential damages, so the above disclaimers, exclusions and limitations may not apply to you. This "small print" statement gives you specific legal rights, and you may also have other rights.

#### IF YOU DISTRIBUTE THIS ETEXT

You agree that if you distribute this etext or a copy of it to anyone, you will indemnify and hold the Project, its officers, members and agents harmless from all liability, cost and expense, including legal fees, that arise by reason of your distribution and either a Defect in the etext, or any alteration, modification or addition to the etext by you or for which you are responsible. This provision applies to every distribution of this etext by you, whether or not for profit or under the "PROJECT GUTENBERG" trademark.

#### DISTRIBUTION UNDER "PROJECT GUTENBERG-tm"

You agree that if you distribute one or more copies of this etext under the "PROJECT GUTENBERG" trademark (whether electronically, or by disk, book or any other medium), you will:

[1] Only give exact copies of it. Among other things, this requires that you do not remove, alter or modify the etext or this "small print!" statement. You may however, if you wish, distribute this etext in machine readable binary, compressed, mark-up, or proprietary form, including any form resulting from conversion by word processing or hypertext software, but only so long as \*EITHER\*:

[\*] The etext, when displayed, is clearly readable. We consider an etext \*not\* clearly readable if it contains characters other than those intended by the author of the work, although tilde (~), asterisk (\*) and underline (\_) characters may be used to convey punctuation intended by the author, and additional characters may be used to indicate hypertext links.

[\*] The etext may be readily converted by the reader at no expense into plain ASCII, EBCDIC or equivalent form by the program that displays the etext (as is the

case, for instance, with most word processors).

- [\*] You provide, or agree to also provide on request at no additional cost, fee or expense, a copy of the etext in its original plain ASCII form (or in EBCDIC or other equivalent proprietary form).
- [2] Honor the terms and conditions applicable to distributors under the "RIGHT OF REPLACEMENT OR REFUND" set forth above.
- [3] Pay a trademark license fee of 20% (twenty percent) of the net profits you derive from distributing this etext under the trademark, determined in accordance with generally accepted accounting practices. The license fee:
  - [\*] Is required only if you derive such profits. In distributing under our trademark, you incur no obligation to charge money or earn profits for your distribution.
  - [\*] Shall be paid to "Project Gutenberg Association / Illinois Benedictine College" (or to such other person as the Project Gutenberg Association may direct) within the 60 days following each date you prepare (or were legally required to prepare) your year-end federal income tax return with respect to your profits for that year.

#### WHAT IF YOU \*WANT\* TO SEND MONEY EVEN IF YOU DON'T HAVE TO?

The Project gratefully accepts contributions in money, time, scanning machines, OCR software, public domain etexts, royalty free copyright licenses, and every other sort of contribution you can think of. Money should be paid to "Project Gutenberg Association / Illinois Benedictine College".
